

HG "ceramic hob cleaner for every-day use"

READY TO USE, FRESH SMELLING
REMOVES EASILY DAILY SOILING AND GREASE.

- APPLICATION
On ceramic hobs.
- DIRECTIONS FOR USE
Turn the nozzle on the front side either a quarter to the left or right (STREAM=SPRAY). Spray HG "ceramic hob cleaner for every-day use" onto the hob to be treated a number of times and briefly allow to soak in Remove with a damp cloth and then rub dry with a clean kitchen towel or kitchen roll. Turn the nozzle a quarter after use (OFF). For more stubborn and dried-on stains on ceramic and halogen hobs we recommend the use of HG "ceramic hob thorough cleaner"
