Heated Towel Bars - Double Square 632mm

The electric towel bar collection has been beautifully designed to complement any bathroom. At only 12V, they can be installed anywhere in a bathroom.

- High quality 304 grade stainless steel.
- Patented dual self regulating heating element that is 50% more efficient.
- Safe for installation in bathrooms.
- Designed for installation behind tiles with or without our patented mounting system.
- Install multiple bars for design impact and effective towel drying.
- Designed and made in the UK.
- Hard wired to mains electricity via a suitably rated 12V transformer.

Care and maintenance

Clean with a soft cloth moistened with warm, mild soapy water. Dry with a soft cloth. Do not use strong cleaners or abrasives as they can damage the finish.
